**Holidays are an integral part of a student's life. It is a time for fun, a time to explore and a time to learn in different ways. When holidays are given a meaningful direction, it results in a productive and enjoyable time. Let's use these holidays to pursue some hobbies and apply our minds creatively to learn new things and to bring a change in the environment, in our own individual way.**

#### **GENERAL INSTRUCTIONS TO BE FOLLOWED WHILE DOING HOLIDAY HOMEWORK:**

1. Take a printout of the holiday homework (worksheet, if any). However, some worksheets for various subjects have been given already in class. Printout of the same can be taken, if needed.
2. Holiday homework should be done as per the instructions given (on A-4, A-3 size sheets or chart, notebook or file).
3. All sheets should be put together (tied/stapled) and handed over to the respective subject teachers on the first day of re-joining after winter break.
4. Subject-wise folder can also be made for the submission of holiday homework. It should be labelled properly indicating clearly the name, class, roll no. and subject.
5. Homework will be assessed for the neat handwriting, presentation, creativity and submission of the work on time.
6. Parents can be facilitator at home. However, the work should be done independently by the child in his/her own handwriting.
